**Let Us Show You How The Compliance Playbook™ Can Help Your team:**

**Getting Started:**

**Contact Information:**

**Please fax back to 1.416.977.1200. You will then be contacted to arrange for the demonstration.**

We are very pleased to provide publicly-traded companies that need to meet the requirements of Sarbanes-Oxley Section 404/302, or the CSA's MI 52-109 requirements, with an opportunity to review the product over the Internet.

You can set the date/time that work best for your team. Our standard presentation covers the following Agenda over a period of forty-five (45) to fifty (50) minutes:

- Introduction
- SOX404/302 (or MI 52-109) Challenges
- Compliance Playbook™ overview including:
  - Scoping
  - Entity-Level Controls
  - Process-Level Documentation, and more
- Question and Answer session
- Next Steps

It is a simple process to setup a Product Demonstration:

**Step 1**— Please complete the information below and fax to 1.416.977.1200 we will then contact you to arrange for Step 2

**Step 2**—Attend the Compliance Playbook™ web-based information session. This session helps provide your team with an Overview of the use of the product and capabilities. If the Compliance Playbook™ seems right for you, then

**Step 3**— We will arrange for a follow-on discussion of your requirements and issues. If appropriate we will provide you with a proposal for the Compliance Playbook™ based on your needs and timing requirements.
